

Intuitive Machines Prices Upsized \$110.0 Million Offering of Shares of its Class A Common Stock and Concurrent Private Placement

December 3, 2024

HOUSTON, Dec. 03, 2024 (GLOBE NEWSWIRE) -- Intuitive Machines, Inc. (Nasdaq: LUNR, LUNRW) ("Intuitive Machines" or the "Company"), a leading space exploration, infrastructure, and services company, announced today the pricing of an upsized offering of 9,523,810 shares of its Class A common stock ("Class A Common Stock") at a price to the public of \$10.50 per share (the "Public Offering Price") (the "Offering"). As part of the Offering, the Company and a selling stockholder granted the underwriters a 30-day option to purchase up to an additional 1,275,714 and 152,857 shares of Class A Common Stock from the Company and such selling stockholder, respectively. The Offering is expected to close on December 5, 2024, subject to customary closing conditions.

Additionally, the Company will issue 952,381 shares of Class A Common Stock to Boryung Corporation (together with its affiliates, "Boryung"), an accredited investor, at the Public Offering Price pursuant to an agreement entered into with Boryung on December 2, 2024 in a concurrent private placement (the "Private Placement"). The offer and sale of the Company's Class A Common Stock pursuant to the Private Placement will be made in reliance upon the exemption from registration under the Securities Act of 1933, as amended, (the "Securities Act") provided by Section 4(a)(2) thereunder. The Private Placement is contingent upon the consummation of the Offering and the satisfaction of certain other customary closing conditions. The consummation of the Offering is not contingent on the consummation of the Private Placement.

The net proceeds to the Company from the Offering and the Private Placement are expected to be approximately \$104.25 million, after deducting underwriting discounts and commissions, but before estimated offering expenses payable by the Company, excluding any exercise of the underwriters' option to purchase additional shares. The Company intends to use the net proceeds it receives from the Offering and the Private Placement, together with its existing cash, cash equivalents and short-term investment balance, to acquire an equivalent number of newly-issued common units of Intuitive Machines, LLC ("Intuitive Machines OpCo") from Intuitive Machines OpCo, which Intuitive Machines OpCo will in turn use for general corporate purposes, including operations, research and development and potential mergers and acquisitions. In the event the underwriters exercise their option to purchase additional shares, the Company will not receive any of the proceeds from the sale of any shares of Class A Common Stock being sold by the selling stockholder. Intuitive Machines will bear the costs associated with the sale of such shares, other than the underwriting discounts payable by the selling stockholder.

BofA Securities, Cantor, Barclays and Stifel are acting as the lead joint book-running managers for the Offering. Roth Capital Partners and B. Riley Securities are acting as book-running managers for the Offering. The Benchmark Company is acting as a co-manager for the Offering.
