Intuitive Machines, Inc. (the "Company") is unable to file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2024 (the "10-Q") within the prescribed time period without unreasonable effort or expense because the Company has been unable to timely finalize the impact of certain immaterial prior period corrections and the impact to internal controls over financial reporting. These revisions were not material to such prior periods and do not affect the ongoing operations of the Company, its cash or its revenue.

The Company plans to file the 10-Q no later than the fifth calendar day following the prescribed due date.
